

Elberton Animal Hospital Bathing Admission Form

Owner's Name: _____ Client #: _____

Contact Info for Owner While Away: _____

Pet's Name: _____ Breed: _____

Age: _____ Sex: _____ Spayed/Neutered _____ Color: _____

Pet History: "I understand that state law requires Rabies vaccination for all pets. I also understand clinic policy requires Distemper/Parvo and Bordetella vaccinations for dogs to be current. My pet must have official documentation of current vaccines from previous veterinarian or place of professional vaccination. If such documentation is unavailable or if my pet's last set of vaccines are expired, it is required that my pet is vaccinated at time of drop off. If my pet bites another animal or person while at this veterinary clinic, I will provide written evidence of a current Rabies vaccination with 24 hours of notification to do so."

***** Please Note: All patients will receive a Capstar upon arrival. *****

Owner/Agent Initial: _____ Date: _____
